Any Budding Artists out there?

Draw-a-Home Challenge – It is a place many have been hanging out these past several weeks. What is Home? Can we draw it? Paint it?

Materials Needed:

- Any kind of paper
- Any kind of paint, colors, markers you have

Directions:

1. Might be best to start off with drawing out your thoughts first with a pen or black (dark marker) then color in.
 - What does HOME mean to you?
 - What do you LOVE about your home? How can you draw it?
 - Are there words that make you think about HOME?
 - See examples in picture to the right for inspiration – This activity was derived from Instagram artist and teacher @2art.chambers.
