

The Arc Mid-Hudson Foundation

2023 Annual Appeal

Dear Friends and Benefactors:

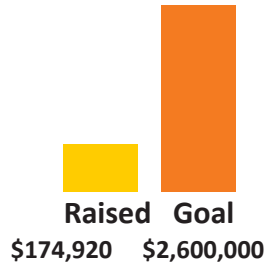

To fulfill our mission “To empower people with intellectual and other developmental disabilities to achieve and experience the highest quality of life,” The Arc Mid-Hudson has committed to the people we support by providing services that are accessible to their needs. This could not happen without the financial support of our friends and benefactors.

We have made significant progress with our funds-in-need over the years, but we still need your help to reach our goal. Your support is critical to continuation of these wonderful services. Please consider a year-end gift today, of any amount, to The Arc Mid-Hudson’s Annual Appeal. Your gift can be mailed in the enclosed envelope, or visit arcmh.org to donate online.
